WEIGHT NOTE:

Total Not To Exceed 70 Lbs

VALUE LIMITS:

\$2499.00

GIFT SHIPMENTS:

Acceptable: Duty/Tax free entry allowed for gifts valued up to 45 Euro (approximately \$72 US). Unsolicited gifts must be shipped from one private individual to another private individual and should not contain coffee, tea, oil, meat or poultry products. Any gift shipments which contain food will be assessed at the rate of excise for that particular product. All gift shipments must travel with a Commercial/Proforma Invoice and clearly state the contents of the shipment with individual values assigned to each item. Confectionary: A list of ingredients are required. The following breakdown is also required for each product: Milk Fat. Milk Proteins. Starch/Glucose. Sucrose/Invert. Sugar/ Isoglucose. Failure to supply this information will delay or prevent Customs clearance.

SPECIAL REQUIREMENTS:

- All shipments from the United States containing Non-Manufactured Wood Packing Materials of coniferous wood must be treated and marked.
- Temporary imports - Require a Customs and Excise form C&E1047. The Commercial/Proforma Invoices need to clearly state the contents of the goods and individual values. It must also clearly state that the goods are being imported into Ireland temporarily. Forms can be downloaded from <http://www.revenue.ie/en/customs/forms/index.html>. The original completed, signed form can then travel with the package to speed up the clearance process. There is usually a minimum of 24 hours delay and ancillary charge of 40 Euro (approximately \$54 US).
- Return shipments require a Commercial Invoice stating the shipment is being returned and reason. It must also state the value of the products separate to a repair value, if applicable. Please note the value of the product must be the same value of the product when initially exported.
- Reagents and Chemicals are not acceptable descriptions. The Commercial Invoice must indicate: full description and ingredients of goods, the Harmonized Tariff Classification and product origin (animal, human or plant).
- Unaccompanied Baggage - These type of shipments must be stated on the Commercial Invoices to include: a full detailed description of the goods and the unit value of the contents. There will be an ancillary charge for non-resident customers visiting Ireland and must be billed by credit card billing only payable in Ireland. The shipment must not include any restricted or prohibited goods. Please note recipient must also supply a copy of their Passport and their flight itinerary showing their date if departure.
- All Commercial Invoices and Air Waybills (shipping labels) must be completed to indicate the name and address of the actual shipper and not the Shipping Company or Agents or any Third Party names and address. Failure to indicate the actual shippers name and

IRELAND, REPUBLIC OF (IE) - (continued)

address will result in the goods being delayed and subsequently returned to the shipper at their expense.

- Commercial Invoice required for samples of acceptable commodities over 4lbs (2 kgs).
- A list of the ingredient breakdown is required for any confectionary product or food item that contains milk fat, milk proteins, starch/glucose, sucrose/invert, sugar/isoglucose. Failure to provide will cause clearance delays.
- All shipments of fabric must clearly indicate the square meters of the fabric for each line item. Failure to supply the square meters will result in the goods potentially being returned to the shipper at the shippers expense.
- For Registered Charities shipments, the Commercial Invoice should be itemized to show: descriptions of content, values, quantities, goods sent free of charge by a person or organization outside the European Union, No Commercial intent from the sender, and the name of the charitable or humanitarian organizations. Please refer to the following link for clearance requirements

Legend:

<input type="radio"/>	Shipment is considered a document
●	Requires a Commercial Invoice (PS Form 6182) (Original + 2 copies) - Shipment is considered a non-document.

X	Prohibited Item
####	Related Footnote number of footnoted commodity

Footnotes:

- 70 Shipments going from an EU country that contains pharmaceuticals are subject to Italian Sanitary Authority approval. An ancillary charge of 40 Euro (approximately) (approximately \$52 US) will apply and be billed to the importer/recipient.
- 73 The Commercial Invoice must indicate the scientific name of the animal that the leather was obtained under the provisions of the Convention of International Trade in Endangered Species of Wild Fauna and Flora).
- 119 The Commercial Invoice must identify goods as Personal Effects. The recipient will be required to prove that the Personal Effects are used and their belongings in order to obtain duty exemption.
- 151 For commercial (company) use only; a special permit is required from the Ministry of Health, 30 days before goods arrive. If goods are for test purposes, a permit is not required, however, a written declaration stating the substances are non-toxic, non-narcotic and to be used for laboratory tests is required of recipient.
- 244 All audio visual commodities must have a Commercial Invoice indicating length, width, duration, a brief but satisfactory synopsis of contents and reason for importation.
- 281 Declared value should be the nominal paper value of the ticket, not the purchase price of the ticket.
- 323 A Biological Goods Declaration is required.
- 324 Commercial Invoice required if value over 22 Euros (approximately \$22 US).
- 395 Is this a GXG Shipment? This commodity is prohibited for GXG.
- 515 An Import License from the Ministry of Foreign Commerce is required for textiles manufactured in Belarus, Korea (North), Serbia, Montenegro, Uzbekistan and Vietnam. The recipient must have an Import License prior to shipping, otherwise delays may occur. The Import License will be released only after presentation of the Export License, which is provided by the shipper.
- 534 Recipient must provide a written declaration to Italian Customs for checks valued over 10,330 Euro (approximately \$16,617 US).
- 588 Liquids requires a reason for importation from the recipient.
- 729 A Certificate of Origin is required if the shipment is over 55 lbs (25 kgs) or Import License maybe required for certain textile categories (Shipper, please refer to recipient for related textile categories).
- 778 The Commercial Invoice must clearly state if goods conform with European standards and if they carry a Communitie European mark.
- 780 The value shown on the Commercial Invoice must be equal to the price on the cover of the magazines multiplied by the quantity of magazines in the shipment.
- 883 Mutilated samples may be exempt provided that they are correctly identified on the Air Waybill (Shipping Label) and Commercial Invoice. Shipments may be subject to inspection by Customs to verify that they are mutilated.
- 935 A permit (frequently referred to as "Surveillance") from the Ministry of Foreign Commerce is required if manufactured in China.

GIFT SHIPMENTS:

Acceptable: Duties/Taxes will be assessed.

SPECIAL REQUIREMENTS:

- GXG will accept shipments of Israeli origin. However, this country may not allow such imports.
- No shipment is to be accepted without a valid telephone number or fax number included on the Air Waybill (Shipping Label).
- All shipments destined to Lebanon are subjected to government taxes. Recipient or shipper is liable to pay these taxes.
- Any Commercial Invoice outlining payment terms are not permitted without an Import Permit.
- Re-export of shipments held in Customs must be cleared by the recipient or their designated broker.
- Shipments requiring Ministries approval and shipments over \$900 U.S. are cleared through formal entry.
- A demurrage charge of \$7 US/week will be levied on shipments held in Customs within the first month, after which fee will become \$1.5 US/day.
- Diplomatic shipments must be addressed to specific departments of the Embassies and Consulate. Shipment maybe rejected for failure to comply.
- Undervalued shipments held by Customs may require Proof of payment to be submitted to Customs.
- Shipment not cleared in 3 months from the date of the shipment arrival will be either destroyed or confiscated by Customs Authority.
- An original commercial invoice on company letterhead signed and stamped is required for Commercial shipments valued at \$1500 USD or higher.
- Video tapes are subject to government check and therefore may cause Customs delays.
- Passports are subject to General Security Inspection. Expect clearance delays.
- All liquid, chemical and powder shipments require a Material Safety Data Sheet (MSDS) if quantity exceeds 100 ml. (3.4 ozs) per shipment.
- Herbal products and spices require approval from the Ministry of Agriculture.
- Shipments containing Lithiumcells or Batteries must contain a Shippers declaration and attached to the shipment with the other documentation.
- Video tapes are subject to government check and therefore may cause Customs delays.
- Shipments originating from Japan are subject to Atomic Institute approval.

individual to another private individual. The Pro Forma Invoice is required and must state the commodity description. Food, agricultural products, perfumes, sparkling wine and alcoholic beverages are acceptable but may require inspection by Customs which may cause delays and additional charges.

SPECIAL REQUIREMENTS:

- No duties and taxes applied for shipments with total value up to 21.72 Euro (approximately \$34 US) (various shippers and various recipients).
- No duties and taxes applied to shipments with total value up to 46.33 Euro (approximately \$73 US) if shipper and recipient are private persons.
- Shipments must have original signed Commercial Invoice showing appropriate Incoterm contract conditions: Carriage Paid To, Carriage and Insurance Paid To, Delivered Duty Unpaid, Delivery Duty Paid, Ex-Works, Free Carrier (in case of Ex-Works and Free Carrier) transportation costs must be indicated on Invoice.
- Shipments to bonded warehouse can be transit-cleared in Customs only if recipient provides transit declaration and own transport/vehicle that can be secured with a customs seal.
- Only Value Added Tax (no duties) for shipments with total value from 21.72 Euro (approximately \$34 US) to 150 Euro (approximately \$199 US) from companies to various recipients.
- Shipments are subject to 29 Euro (approximately \$41 US) charge for Customs clearance. A simplified Customs procedure is applicable for private recipients. In this case, the recipient's attendance is required unless a notary approval authorization has been issued to a third party. Simplified Customs clearance is subject to a 9 Euro (approximately \$13 US) charge.
- All dutiable shipments are subject to terminal's temporary storage entry fee that will be charged to the recipient.
- All dutiable shipments will require the Power of Attorney from the recipient which gives FedEx the right to clear shipments. If not, shipment must be cleared by recipient or they can provide their own broker. The Power of Attorney from the shipper is not acceptable. Please note, Customs has the right to stop any shipment, if value/product/volume are under question.
- Jewelry, Gold, Silver and/or Precious Stones must have their net weight indicated on the Invoice. Import Licenses are required from the recipients/importing companies of Precious Metals or Stones, Precious Metals and Stones are under very low limits (determined by Customs) to import individually by private recipients. It is strongly recommended for private recipients to contact local Customs on this subject before ordering/buying Precious Metals and Stones.
- CE markings must be shown on some commodities prior to entering the European Community. Huge fines may be levied if shipment is not in compliance with conformity standards.
- Goods of dual purpose, recipient must have licenses.
- The description on the package of pharmaceuticals must conform to European standards.
- Medical supplies and pharmaceutical received without the required information and documentation could be sent to a licensed bonded warehouse and would be subject to recipient's approval, additional time and charges will be billed to the recipient.
- Pharmaceuticals and medicine imports that do not meet the temporary storage requirements will be returned to the shipper at his or her expense.
- No temporary storage at FedEx location for pharmaceuticals and medical supplies classified under Harmonized commodities codes 3003, 3004, 3006.
- The import of pharmaceuticals requires the following under Harmonized System numbers (3003, 3004, and 3006):
 - -A license to practice a pharmaceutical business is required from the recipient
 - -Pharmaceuticals must be registered by the Lithuanian Ministry of Health prior to shipping
 - -Import Permit for Pharmaceuticals samples prior to shipping
 - -A copy of the receipt for prescription drugs

SPECIAL REQUIREMENTS:

- All shipments are subject to pre-inspection by the Customs house broker. For detailed information on what commodities apply, the shippers should contact the recipient or visit the internet at <http://www.economia.gob.mx/>
- A detailed Commercial Invoice is required for values over \$300 US.
- Solid Wood Packing Material must comply with ISPM-15 (International Standard Phytosanitary Measures). Shipments arriving without this information will be returned at origin station or shipper's expense. Paper certification (treatment certificates) will not be required.
- Additional clearance fees and delays may apply to special foreign incentive programs such as North American Free Trade Agreement (NAFTA), Decreto para el Fomento de la Industria Manufacturera, Maquiladora y de Servicios de Exportacion (IMMEX) and Empresas Altamente Exportadoras (ALTEX).

MEXICO (MX) - (continued)

- Shipments to Mexico may incur ancillary charges due to commodity, value, storage or Customs validation.
- All shipments above \$1000 US require recipient to have a Registry Federal Certificate Number secured by Mexican tax authorities and it must be indicated on the Commercial Invoice under or next to the recipient's. Recipient must be registered as an importer in the Padron Importadores del Servicio de Administracion Tributaria of the Mexican Government prior to import. Shipments above \$1000 US to companies are limited to one shipment per importer per month, if the recipient is an individual, they are limited to \$5000 US per month.
- Hard to identify substances such as pastes, liquids, powders, gels, odoriferous substances, scented oils, laboratory reactive agents, caliber standards, chemicals and raw materials and liquid or medical products such as pills, tablets, granules, must be accompanied by a physical and/or chemical analysis to identify its composition, nature, origin or other necessary characteristics in order to be properly classified. These products can only be cleared via formal entry. The only exception will be if the importer is registered and fully licensed to import these products.
- Ancillary charges will be applied to special foreign trade incentive programs such as NAFTA and IMMEX, refer to billing options.
- Diplomatic shipments can only be picked up from the Consulate or Embassy. For hand delivered shipments to FedEx locations, prior arrangements must be made. The Embassy or Consulate must prepare the special bag tag or label, as well as a notarized list of foreign contacts and telephone numbers at the Embassy or Consulate that can accept the Diplomatic shipment overseas.
- Trademark and patented goods such as Cellular, Cellular accessories, Textiles (clothes and apparel), electronic equipment (MP3, MP4, Voice, Video) originating from China, India, Thailand and Taiwan must be accompanied with supporting documentation from the trademark/patent owner stating that the goods are authorized for importation to avoid clearance delays.
- Shipments may be delayed for verification of copyright laws. A license from the distributor or letter from the original manufacturer may be required to avoid import delays.
- The Commercial Invoice must be filled out completely. Partial description and/or an incomplete Commercial Invoice will not be accepted.
- Undervalued shipments found by Customs will require a corrected Commercial Invoice from the shipper and values will be assigned under Customs criteria.
- Returned shipments may be assessed Duty and Tax and be subjected to regulations or permits depending on the commodity.
- Household Goods: is a shipment that cannot be considered as personal effects (forgotten luggage) because of the quantity and items exceed the established amounts and kind of goods. The shipper must go to the local Mexican Consulate to get a written authorization stamped by Mexican authorities. The household (menaje de casa) is a statement letter that must be certified by Consulado Mexicano in the country of export, and must manifest the following information: Complete Name, complete address of the foreign residence, complete description of the quantities of the household, proof of foreign residence for at least one year. It is extremely important to contact the "Consulado Mexicano for additional information". The shipper/exporter must declare Absolutely Every Single Item (i.e: Box 1: 1 TV set, 1 pair of speakers, 2 books, etc. / Box 2: 3 toys, 1 tablet, etc / Box 3 ..., Box 4).
- All dutiable shipments must be cleared by recipient. Customs paperwork will be delivered according to commitment.
- The commercial invoice is required for values over \$300 USD and must include: Date and place of exportation, exporter legal name and address (including country), importer legal name and address, detailed merchandise description (no part numbers or codes accepted as description), quantity, unit of measure (piece, set, meters, kilograms), unit value, total value commodity identification marks and numbers if available (Model, serial number, etc.), breakdown of any other charges (e.g. freight, insurance, etc.), INCOTERM are acceptable in Spanish, English and French.
- Household Goods can't be considered as personal effects (forgotten luggage) because of the quantity and items normally exceed the established amounts and kind of goods. A household statement (menaje de casa) is required to state the following: full name, complete address of the foreign residence, country of export, complete description and quantities, proof of foreign residence for at least one year. The shipper must go to the local Mexican consulate to get this written authorization stamped for approval. It is extremely

important to contact the "Consulado Mexicano for additional information".

- Documents must not have a declared value on the Air Waybill (Shipping Label).
- Commercial Samples should be marked as such. The declared value must be \$1 US (per unit value). No original packaging accepted. Statement must be included on Air Waybill (Shipping Label) and Commercial Invoice indicating goods are samples. Further regulations may apply depending on the commodity. Duties and Taxes may be assessed. Samples must be permanently marked or torn. Sample labels will not be considered as marked. Hard to identify substances cannot be cleared as sample.
- Balloons - Rubber or Plastic require a Health Permit of the recipient. A health permit is issued by the Health Ministry and should be secured prior to shipping.
- Candy (chocolate is included) shipments require an Import Permit issued by the Ministry of Economy and must comply with Sanitary Notice issued by the Health Ministry. This also applies to gift shipments.
- Wooden Furniture, Ornaments, Decorations and Wooden Products are prohibited.
- Recipient is required to obtain prior to shipment a Sanitary Authorization Permit from the Department of Health (S.S.A.) for all items used or consumed by humans (medicine, surgical equipment, toothpaste, contact lenses, etc.).
